Secondary Care Wait Times (note: wait times are shown in WEEKS)

Sussex MSK Partnership Central

- The waiting times published in this document are an indication of what the average length of time may be as reported to us by the

 The waiting times published in this document are an inalcation of what the average length of time may be as reported to us by the respective hospitals - it is intended to be used as a guide only.
 Please note: due to recent and ongoing industrial action we expect waiting times to be impacted. We cannot accurately predict how long this will delay first appointments or definitive treatment.
 The information provided should not be taken as a guarantee of the exact waiting time that a person should experience between referral to hospital and first appointment. Any queries relating to your hospital appointment should be directed to the hospital in the first instance.

- If your symptoms change or get worse whilst waiting for your hospital appointment, please contact SMSKP for a telephone assessment with a clinician familiar with your care who can provide you with advice and guidance.
